CHATGPT PRODUCT CHEAT CODES

100 Scroll-Stopping Prompt Ideas to Transform Any Product into Viral Content

How to Use This PDF

This document contains 100 battle-tested, high-impact prompt cheat codes designed for creators, marketers, and e-commerce brands. Whether you are generating Midjourney visual concepts, crafting viral Instagram carousels, writing high-converting ad scripts, or staging virtual product displays, these prompts give you immediate frameworks to stand out.

CATEGORIES INCLUDED

- Viral Ad & Hook Generation (1-20)
- Retail Display & Staging Concepts (21-40)
- Paper Craft & 3D Render Styles (41-60)
- Product Bundle & Unboxing Layouts (61-80)
- Interactive Engagement & Quizzes (81-100)

PRO TIP

Replace placeholders like `[Product Name]` with your actual item details (e.g., smartwatches, sneakers, cosmetics, or software) to get hyper-customized, professional outputs instantly.

Category 1: Viral Ad & Hook Generation (Prompts 1 – 20)

Use these prompts to generate high-converting hooks, viral TikTok scripts, and psychological triggers that stop scrollers in their tracks.

PROMPT #01 — THE PATTERN INTERRUPT HOOK

```
Act as an expert direct-response copywriter. Write 5 high-converting video hooks for [Product Name] targeting [Target Audience] that use an extreme pattern-interrupt statement challenging a common industry belief.
```

PROMPT #02 — THE SECRET CHEAT CODE FRAMEWORK

```
Create a carousel script structure where slide 1 uses the hook "Comment 'CHEAT CODES' to get our secret resource." Outline 5 value slides breaking down [Product Feature] into bite-sized psychological triggers.
```

PROMPT #03 — PROBLEM-AGITATION-SOLUTION STORYBOARD

```
Generate a 15-second viral Reels video storyboard for [Product Name]. Include visual cues, text overlays with neon formatting, and voiceover script focusing on [Specific Pain Point].
```

PROMPT #04 — COMPETITOR ALTERNATIVE CONTRAST AD

```
Write a high-converting comparison ad script highlighting why [Product Name] outperforms traditional alternatives in [Key Metric like Battery Life / Speed / Price].
```

Category 2: Retail Display & Staging Concepts (Prompts 21 – 40)

Designed for image generation models (Midjourney / DALL-E) to stage your physical product in luxurious, high-end retail environments.

PROMPT #21 — LUXURY FLAGSHIP STORE DISPLAY

```
/retail display: A sleek minimalist retail pedestal inside a dark ambient flagship store, neon green accent lighting highlighting [Product Name], premium typography signage in the background, cinematic depth of field, photorealistic, 8k.
```

PROMPT #22 — INTERACTIVE SHOWCASE KIOSK

```
/retail display: A modern tech exhibition stand featuring [Product Name] mounted on a glowing acrylic stand with floating feature callouts ("Adaptive Noise Canceling", "40H Battery"), dark moody atmosphere, studio lighting.
```

PROMPT #23 — CYBERPUNK SHOWCASE WINDOW

```
/retail display: A futuristic store front window display at night with neon green wireframes, dark reflective surfaces, elegant product placement of [Product Name], volumetric lighting, cinematic photography.
```

PROMPT #24 — MINIMALIST GALLERY PEDESTAL

```
/retail display: Single black marble pedestal in a concrete brutalist gallery hall, spotlight directly on [Product Name], high contrast, ultra-clean aesthetic, editorial product photography style.
```

Category 3: Paper Craft & 3D Render Styles (Prompts 41 – 60)

Create stunning tactile visuals and handmade diorama effects that make products look like intricate works of art.

PROMPT #41 — LAYERED PAPERCRAFT DIORAMA

```
/paper craft: An intricate layered papercraft sculpture background with geometric mountains and abstract clouds in charcoal black, cream, and neon green, framing [Product Name] in the center, soft studio shadows, macro shot.
```

PROMPT #42 — ORIGAMI LANDSCAPE SETUP

```
/paper craft: Origami forest landscape with faceted paper trees and glowing neon green sun backdrop, [Product Name] resting on a textured cardboard block, tactile paper grain texture visible, professional product photography.
```

PROMPT #43 — CARDBOARD ARCHITECTURE MOCKUP

```
/paper craft: Architectural study model built from corrugated cardboard and matte black paper sheets, dramatic side lighting casting long shadows, [Product Name] integrated seamlessly into the structure.
```

PROMPT #44 — LOW-POLY NEON PAPER SCULPT

```
/paper craft: Low-poly geometric paper sculpture installation, sharp crisp folds, matte dark grey paper with neon green accent strips, studio lighting, hyper-detailed product hero shot.
```

Category 4: Product Bundle & Unboxing Layouts (Prompts 61 – 80)

Maximize perceived value by generating flat-lays and complete unboxing package displays that showcase every accessory.

PROMPT #61 — COMPLETE FLAGSHIP BUNDLE LAYOUT

```
/product bundle: Flat lay top-down view of [Product Name] alongside its matching hard-shell carry case, USB-C braided cable, dual-pin flight adapter, branded quick start guide, and premium retail box on a dark brushed metal surface.
```

PROMPT #62 — LUXURY MAGNETIC BOX UNBOXING

```
/product bundle: Open matte black rigid gift box with custom gold/neon green foil stamping, velvet insert holding [Product Name] snugly, accessories neatly organized in recessed compartments, dramatic top-down studio lighting.
```

PROMPT #63 — CREATOR DESK SETUP FLAT-LAY

```
/product bundle: Aesthetic desk setup flat-lay featuring [Product Name], mechanical keyboard with neon backlighting, minimalist notebook, stylus, and modern laptop on a dark walnut desk, overhead editorial shot.
```

PROMPT #64 — MINIMALIST TRAVEL KIT SPREAD

```
/product bundle: Travel essentials neatly arranged on a concrete tile: [Product Name], minimalist passport holder, compact charger, and sunglasses, sharp focus, high-end lifestyle commercial photography.
```

Category 5: Interactive Engagement & Quizzes (Prompts 81 – 100)

Boost comments, saves, and algorithmic reach with prompts designed to build interactive community challenges.

PROMPT #81 — THE "WHICH TYPE ARE YOU?" QUIZ

```
Act as an interactive social media strategist. Create a 4-question Instagram Story quiz framework where followers discover their ideal [Product Category] style, leading to an automated DM keyword trigger.
```

PROMPT #82 — FILL-IN-THE-BLANK CAPTION GENERATOR

```
Write 5 viral Instagram captions for [Product Name] that end with a compelling fill-in-the-blank question designed to skyrocket comment section engagement rates.
```

PROMPT #83 — THE MYSTERY EASTER EGG CHALLENGE

```
Design a carousel game where users must spot 3 hidden discount codes or secret features embedded within the product images across slides 2 through 5.
```

PROMPT #84 — AUTOMATED DM FUNNEL SEQUENCE

```
Write a 3-step automated ManyChat DM response sequence for when someone comments "CHEAT CODES", delivering the resource link while building high-intent product desire.
```
